12 Yep, Izabel Goulart really is that scorching hot

Another day, another awesome lingerie photoshoot from our buddies at Victoria's Secret to jump start your engines. Sounds great, right? This time we have the uber hot Izabel Goulart showing off her incredible Brazilian supermodel curves in a variety of skimpy lingerie that will probably make you feel weak at the knees.

Now I think I've already gawked at thousands of photos of this super hottie so I'm not easily impressed when I see new photos with her but good lord.. look at that tush !!! All these photos are ridiculously sexy but those pics from the back.. oh my, that's what I call "ass-tastic". It's a travesty that we don't see that on a daily basis.

Ok, every day might be a little exaggerated, but drooling over Izabel Goulart at least once a week, especially in photos like these, sounds pretty reasonable, eh? Enjoy!

In 2011, Goulart appeared in the Sports Illustrated Swimsuit Issue. She can be seen in the spring/summer 2011 campaign for Dolce and Gabbana, the Pre-Fall 2011 campaign for Givenchy, Yamamay's 10th Anniversary Collection and the Fall/Winter 2011 campaign for DKNY Jeans. The same year, she ranked number 100 in FHM magazine's list of the 100 Sexiest Women In The World. She also appeared on one of the four covers of Elle Brasil.

In February 2012, she was photographed by Dusan Reljin for Vogue Spain, and later that year by Mario Testino, again for Vogue Spain, in an editorial entitled "Las majas", which also featured Alessandra Ambrosio, Doutzen Kroes, Miranda Kerr and Isabeli Fontana. In November, she was recognised as "Fashion Personality of the Year" by the Brazilian magazine Isto é Gente, and she also appeared on the cover of Glamour Brazil in December 2012.
